Dear Ms. Maybee

I am the solicitor for the Corporation of the Town of Erin

Your emails of March 9, 2021 and February 18, 2021 addressed to His Worship Mayor Allan Alls have been forwarded to me for reply

All of the questions contained in your February 18, 2021 correspondence are, either in essence or in fact, the same questions and issues which were raised and answered during the Part 2 Order request made to the Minister of the Environment Conservation and Parks pursuant to the Environmental Assessment Act. As you know the Minister considered each of these issues and refused to grant the Order.

Since you participated in the Part 2 order request, my client sees very little useful purpose in answering the same questions again and therefore will not be responding to the detailed questions contained in your February 18, 2021 correspondence.

Regards
