Re: Application for Investigation of the Corporation of the Town of Erin
Town of Erin Urban Centre Wastewater Treatment Plant

Dear Sirs:

The Belfountain Community and Planning Organization and Linda Heron are filing an Application for Investigation of the Corporation of the Town of Erin, under Part V, of the Environmental Bill of Rights, 1993.

We are very concerned that the Town is moving forward to the construction phase of the Project when it has not yet fulfilled key commitments it made in its Town of Erin Urban Centre Wastewater Servicing Class Environmental Study Report.

The Application for Investigation, Appendix A and our duly signed Affidavits are enclosed.

We look forward to your response.

Respectfully,

Judy Mabee, President
President, Belfountain Community Organization
Chair, Coalition for the West Credit River
