Re: Application for Investigation of the Corporation of the Town of Erin  
Town of Erin Urban Centre Wastewater Treatment Plant

Dear Sirs:

The Belfountain Community and Planning Organization and Linda Heron are filing an Application for Investigation of the Corporation of the Town of Erin, under Part V, of the Environmental Bill of Rights, 1993. We are very concerned that the Town is moving forward to the construction phase of the Project when it has not yet fulfilled key commitments it made in its Town of Erin Urban Centre Wastewater Servicing Class Environmental Study Report. Please click on this [Google Drive link](#) to download the Application for Investigation and Appendix A.

We will follow-up by sending a hard copy of the Application for Investigation to Minister Piccini and Mr. Schulz by Registered Mail. We look forward to your response.

Respectfully,

Judy Mabee, President  
President, Belfountain Community Organization
